

# **Solving The Situation**

**As you see that the guy ask the girl by using the pronoun “ Ante”, but how do we know that this is a question or a statement?**

**The answer is just from the intonation**

**Ante? Which means: what about you(feminine)?**

**Anta? Which means: what about you( masculine)?**

**Great, now you can say where do you live.**

**See you with the next lesson**

**Salaam**
